

:: M&M's Swim School ::

Titanic Spa
Low Westwood Lane
Linthwaite
Huddersfield
HD7 5UN

Entrance to the pool/Parking

The entrance to the spa/pool is towards the far corner of the car park. Please use a bay marked 'SPA'.

Signing In/Out

On arrival, please sign in with a member of the reception staff - they will give you a locker wristband to use in the changing rooms. These wristbands are electronically assigned to any available locker - and so you must remember which locker you choose! You use the chip in the band to press in the peg on the locker door until it clicks shut, and then vice versa to open. These bands are waterproof and fine to take in the pool. Once you've finished your lesson, return your wristband to reception, who will sign you out.

General

Please take your payment (cash) onto poolside and give this to the swimming instructor at the start of your lesson - to make things easier for the instructor, please ensure you have the exact amount.

There is extremely limited space for spectators on poolside – although pool overshoes are provided. Please note that crockery/glassware is not permitted on poolside.

Swimming hats/caps aren't needed at Titanic, although are permitted. They are available to purchase, along with goggles, earplugs and nose clips etc.

The pool is 15m x 15m, at a constant depth of 1.2m. The temperature is generally maintained at 29 degrees and the pool is 'Salt Regulated'. Rather than use a powerful chlorine as disinfectant, a more organic form is produced using a Salt Generator which is kinder to the skin/hair etc. Also Titanic Spa is the UK's first Eco-Spa.

Food and drink is available from the Bistro, speak to a member of staff for more details.

Club Titanic Memberships

Only Club Titanic members are allowed to enter the pool before/stay in after their lesson - Club Titanic members pay £20 per 30 minute session. To enquire about membership, speak to one of the fitness team or contact Matthew Barker, Club Manager, on matthew.barker@clubtitanic.com or 01484 843544. Mention you've been referred by us, and Matthew will bring you up-to-speed with the latest deal exclusively for M&M's swimmers.
