Woodland Glade Info Sheet

Woodland Glade

62 The Green

Bradley

Huddersfield

HD2 1QB

Entrance to the pool

The front door should be unlocked, but if it isn't, press the intercom button and someone will open it for you.

Changing rooms

To gain access to the changing rooms, you must press the button to unlock the doors. Dads must take their children into the male changing rooms to get changed - Mums must take children into the female changing rooms. If you think your child is too old to be getting changed in the opposite sex changing room, they're probably old enough to get changed on their own! Please also leave the changing rooms as clean and as tidy as possible, either using the lockers, or taking all items with you onto poolside.

Please also make sure that showers are turned off after they have been used – they do not turn off automatically!

General

The use of mobile phones or photography equipment is strictly prohibited – if you need to use your phone, please do so outside.

There is limited space for spectators on poolside – unfortunately, there is not enough room for the whole family to come and watch! Outdoor footwear must either be removed, or covered with blue shoe covers (provided in the changing rooms).

Please note that it can get extremely warm on poolside!

Swimming hats/caps aren't needed at Woodland Glade.

PLEASE NOTE: NON-RESIDENTS (IE. PEOPLE THAT DO NOT LIVE ON WOODLAND GLADE) ARE ONLY PERMITTED TO USE THE FACILITIES DURING THEIR ALLOCATED SWIMMING LESSON – THEY ARE NOT ALLOWED TO USE THE FACILITIES BEFORE OR AFTER THEIR LESSON WITHOUT PRIOR AUTHORISATION FROM MANAGEMENT!
