Willow Lodge Info Sheet

Willow Lodge

Halifax Road

Hoylandswaine

Penistone

S36 7EY

Parking

Please use the car park right at the back of the property. If this is full, please use the turn-around at the front.

Entrance to the pool

Ignoring the signs for 'Reception', please use the side door (down the couple of steps). Once inside, the pool is to the right. Just before going up the steps onto poolside, please swap your shoes for some pool shoes (provided).

Changing rooms

Swimmers get changed behind the curtained cubicles and place their things into a green box – this green box is then placed under your chair. On leaving, please place the box back onto the pile by the door.

General

The use of mobile phones or photography equipment is strictly prohibited – if you need to use your phone, please do so outside.

There is limited space for spectators on poolside – unfortunately, there is not enough room for the whole family to come and watch!

Swimming hats/caps **ARE** needed at WL – we do not provide them, so they must be purchased beforehand.
